

## APPOINTMENT NOTICE – CAL FICHTER TO ASSOCIATION CHAIR

The Canadian Fuels Association is pleased to announce the appointment of Cal Fichter, Vice-President – Energy, Federated Co-operatives Limited (FCL) as Chair of the association’s Board of Directors.

As Vice-President, Cal is responsible for FCL’s Crude Oil, Supply and Distribution, Energy Products, and Propane Departments. The business unit is responsible for crude oil exploration and development, supply, marketing, and distribution of energy products, lube oil production and marketing, and biofuels regulations compliance.

Prior to being appointed to the position of Vice-President Energy in September 2013, Cal spent over 32 years working at the Co-op Refinery Complex in Regina where he held a variety of positions including Plant Engineer, Supervisor Plant Engineering, Operations Engineer, Operations Superintendent, and Manager Supply and Distribution. He is now a member of FCL’s Senior Leadership Team.

Over his career, Cal has built a series of well-established relationships at all levels and in all sections of the energy industry in Western Canada. Cal has been a member of the Board of Directors of the Canadian Fuels Association since 2014.

Cal graduated from the University of Saskatchewan with a Bachelor of Science in Electrical Engineering in 1981 and is a registered Professional Engineer, and has completed the Executive Development Program from the University of Calgary.
